Spring is right around the corner and we are excited for all of the new things blooming at the workshop in 2024.

First, we’d like to welcome two new partners that joined us in 2024: Patrick the Inventor from More Shower Space and the crew at Personal Touch Cleaning & Supply. We are grateful for the support and the training opportunities that these two companies have brought to the workshop and we look forward to a long-term relationships and partnerships with both companies.

We are also excited to host our first “Coffee with a Cop” event in March 2024. This event, sponsored by Personal Touch Cleaning & Supply, is a great way to bring together coffee, community, and policing. Please join us that morning if you can. Details for the event can be found under our coffee section.

Lastly, the workshop will be adding new programming that can help with all of your printing needs. We want to thank Name Bubbles for their generous printer donation.

Our holiday party was a delightful occasion filled with great food and even better company. Over a leisurely lunch, we shared laughter and stories, strengthening bonds and enjoying each other's company. It was a wonderful opportunity to relax, unwind, and celebrate the season together. We were joined by board members Steve P., Bob and Jenna.

Wing Dedication: Honoring Feza Oktay & Diane Von Roesgen

On December 5, 2022, we were blessed with an extraordinary gift from two remarkable individuals—Feza Oktay & Diane Von Roesgen, the generous souls behind North River Roasters coffee business. Their heartfelt donation has been instrumental in our continued growth and our ability to provide vital assistance to veterans and the disabled community in the Hudson Valley area.

To express our gratitude and commemorate their extraordinary act of kindness, we celebrated with a Dedication Ceremony on December 19, 2023.

Their generosity has not only strengthened our organization but has also enabled us to make a positive difference in the lives of those we serve.
